Support can be in the form of a Live-in arrangement where the individual shares the Shared Lives Carer's home, Shared Days where the carer provides daytime support, or overnight Short Breaks. The Council wishes to see growth in the availability and utilisation of Shared Lives arrangements in Lincolnshire, both in terms of the volume of people being supported across arrangements and diversity of need.

Shared Lives arrangements are set up and supported by Shared Lives schemes who are regulated by the Care Quality Commission (CQC). The provider will be responsible for the following duties (for more information please see our specification detailed in the Tender pack):

- To recruit, assess, support, monitor and train Shared Lives Carers.
- Ensure there are adequate numbers of Shared Lives Carers available to facilitate successful matching with referred individuals.
