Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

Bidders must comply with the undernoted financial requirements in relation to Trading Performance, Liquidity and Balance Sheet strength in order to participate in the tendering process

Trading Performance

An overall positive outcome on pre-tax profits over a 3 year period. Exceptional items occurring in the normal course of business or non-recurring items can be excluded from calculation.

Liquidity Ratios

Current Ratio - Current Assets/Current Liabilities

Leverage Ratio - Long-term Debt/Net Worth

Applicants must achieve a score of 5 and above from a combination of above two liquidity ratios.

Scoring Method

Current Ratio

Range Score

0.00 to 0.80 0

0.81 to 0.90 1

0.91 to 1.00 2

1.01 to 1.10 3

80.00 to 100.00 1

Intangibles can be included for purposes of the Net Worth figure.

Balance Sheet Strength

Net worth of the organisation must be positive.

Intangibles can be included for purposes of the Total Assets figure

The above would be expressed in the ratio Total Assets/Total Liabilities

The above ratios should be calculated on most recent accounts filed at Companies House.

For non-UK Companies, the ratios should be calculated on information contained in the most recent audited accounts.

Companies that are only required to file abbreviated accounts, must submit full sets of accounts for the last two individual years filed, in order for the three year profitability requirement to be verified.

Applicants who have been trading for less than 3 years must provide evidence that they have met the above minimum financial requirements for the period in during which they have been trading.

Applicants who do not comply with the above financial requirements, but are part of a Group, may be required to provide a Parent Guarantee (in the Glasgow Life style) if the Parent company satisfies the financial requirements stipulated above.

Where the applicant is a group of economic operators (such as a consortium), the Lead Party

of that group must comply with minimum financial requirements.

Glasgow Life reserves the right at its own discretion to seek such other information from the Applicant in accordance with Regulation 61(8) of the Public Contracts (Scotland) Regulations 2015 to prove the Applicant's economic and financial standing.

Minimum level(s) of standards possibly required

Employers (Compulsory) Liability Insurance - Bidder shall take out and maintain, throughout the period of their services, Employer's Liability insurance to the value of at least TEN MILLION POUNDS STERLING (10,000,000 GBP) in respect of any one claim and unlimited in the period.

Public Liability Insurance - Bidder shall take out and maintain, throughout the period of their services, Public Liability insurance to the value of at least TEN MILLION POUNDS STERLING (10,000,000GBP) in respect of any one claim and unlimited in the period.

Product Liability - Bidder shall take out and maintain, throughout the period of their services, Employer's Liability insurance to the value of at least TEN MILLION POUNDS STERLING (10,000,000 GBP) in respect of any one claim and unlimited in the period.

Professional Indemnity Insurance - Bidder shall take out and maintain throughout the period of their services and for a further 1 year on completion of their service, Professional Indemnity insurance to the value of a minimum ONE MILLION POUNDS STERLING (2,000,000 GBP) in respect of any one claim and in the aggregate.

The above insurances shall be with an insurance company registered with Financial Conduct Authority (FCA) in the UK, or equivalent body for other EU member states by The Company and any organisation shall not sub-let or sub-contract any part of the commission unless the sub-contractor is similarly insured, unless The Company agrees otherwise. It is the express responsibility of the lead organisation to ensure this is the case.

Should the Bidder not have the specified insurances at the time of tendering then, the Bidder must certify in their response to the SPD that the specified insurance will be obtained.

III.1.3) Technical and professional ability

List and brief description of selection criteria

Bidders are required to provide details of three contracts within the last 3 years that are relevant to the Glasgow Life's requirement. At least one should be from the public sector and should include the organisation name, a contact name and number/email address, the date of contract award, the date of contract completion detailing any delays in completion and how they were resolved, and the contract value. (Examples from both public and/or private

sector customers and clients may be provided

This will be assessed on a pass and fail basis. Bidders who fail will not be taken forward in the evaluation process.

VI.3) Additional information

The anticipated contract spend under this procurement is up to 11.5 million GBP. This figure represents an estimated limit and does not constitute a guarantee of work or expenditure. Actual spend may vary based on the demand and requirements over the course of the contract term

Evaluation of bids will be based on the rates submitted by the Contractor as part of their tender submission. The evaluation process will focus on ensuring value for money and assessing cost effectiveness through the rates provided, in line with the quality and standards required.

Rates Submitted v Contract Spend

The total value derived from the rates submitted by the Contractor is used solely for evaluation purposes and to assess value for money, it is important to note that this evaluated total does not represent or imply the final contract expenditure

The actual spend under the Contract may be up to a value of 11.5 million GBP depending on the service requirements and demand throughout the contract period.

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 27941. For more information see:
