Section II: Object

II.1) Scope of the procurement

II.1.1) Title

On Track Drain remediation services

II.1.2) Main CPV code

- 45232452 - Drainage works

II.1.3) Type of contract

Works

II.1.4) Short description

The provision of services is to inspect, flush and remove any sludge, ballast or other waste contained within catch pits, pipes and drains (on-track) by means of high-capacity vacuum and high-pressure water jetting equipment.

The supplier will be required to:

- Provide labour, equipment and rail-borne machines to flush drains and extract waste.
- Undertake minor repairs
- Undertake site surveys prior to commencement of work, including the use of CCTV
- Identify any protected species that may be in situ, identify any flood risk and the potential discharge to ground, coastal or surface waters
- Removal / disposal of waste through appropriate licensed waste disposal processes, including testing for contaminants
- Provision of drainage system photographs and diagrams to demonstrate the work undertaken in preparation for future maintenance activities

Full details can be found in the tender documents.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45232451 - Drainage and surface works

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The provision of services is to inspect, flush and remove any sludge, ballast or other waste contained within catch pits, pipes and drains (on-track) by means of high-capacity vacuum and high-pressure water jetting equipment.

The supplier will be required to:

- Provide labour, equipment and rail-borne machines to flush drains and extract waste.
- Undertake minor repairs
- Undertake site surveys prior to commencement of work, including the use of CCTV
- Identify any protected species that may be in situ, identify any flood risk and the potential discharge to ground, coastal or surface waters
- Removal / disposal of waste through appropriate licensed waste disposal processes, including testing for contaminants
- Provision of drainage system photographs and diagrams to demonstrate the work undertaken in preparation for future maintenance activities

Full details can be found in the tender documents.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents
