## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

HE Web Technical Supplier Framework

Reference number

P/REF 00000244

#### **II.1.2) Main CPV code**

- 72212222 - Web server software development services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

Historic England is looking to appoint suppliers to a framework to provide web-development Services for selected projects and organisations across three financial years [23/24 to 25/26 – 2+1 approach] in support of Historic England website deliveries. The provider will support Historic England in planning, scoping, delivering and testing website developments, as well as supporting through deployment and providing any necessary knowledge transfer. The work involved will range from the creation of small, self-contained components that could be used across our websites (e.g. a component to display CMS content in a new way) to larger-scale, more complex deliveries to meet specific content needs (e.g. interactive functionality using a range of data sources). In some cases, we will require the delivery of a component or product that can be integrated into the website by our own developers (with appropriate handover from the supplier). In others, there will be a need for the supplier to car

#### **II.1.5) Estimated total value**

Value excluding VAT: £200,000

#### **II.1.6) Information about lots**

This contract is divided into lots: No
