Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

Procurement is a key driver for delivering the Council's Sustainable development commitments as well as supporting its strategic project 'Keeping the benefit local'. The organisation's commitment to deliver 'community benefit' outcomes from

our procurement activity is designed to ensure that wider social and economic issues are taken into account when spending public money.

The Council will be treating this question on a non-core basis i.e. it will not form part of the evaluation process. However, it will be a requirement of the contract that whatever is put forward as a response is fulfilled by the successful contractor and the Council will monitor progress on an annual basis.
