After the ITT has been published, a further Market Engagement event will be held by the Supplier Development Programme (SDP) to provide more information on tendering process.

Attendance at the Market Engagement events is voluntary. However, potential bidders are encouraged to attend to improve their understanding of the procurement process and to ask questions. Details of the market engagement events and links to confirm your attendance can be found in the attached word document titled 'Market Engagement Events'.

Applications to the DPS are encouraged from any organisations interested in the provision of ASN Passenger Transport Services for South Lanarkshire Council and other taxi requirements.

The term 'additional support needs' applies to children or young people who need additional support to help them make the most of their school education. The factors leading to requirements for additional support are varied, but fall broadly into four key areas:
