II.1.4) Short description

Efficiency East Midlands Ltd (EEM) is a not for profit consortium which establishes and manages a range of framework and DPS agreements. Our membership has now grown to 338 public sector organisations including housing associations and ALMO's, Local Authorities, NHS trusts, Education Providers, Blue Light Services, Government Agencies and Charities. EEM have also established a formal collaboration with 3 like-minded procurement consortia-Westworks, South East Consortium and Advantage South West. The membership list for these three consortia may be obtained from the following website addresses:

(<https://www.westworks.org.uk>)

(<https://www.southeastconsortium.org.uk>)

(<https://www.advantagesouthwest.co.uk>)

EEM are conducting this tender exercise to procure a Drainage Services (Domestic & Commercial) Framework to replace our existing Framework which will expires in December 2023. The Framework will provide EEM Members with a provision for their Drainage Services covering both Domestic & Commercial but not limited to, carrying out all types of jetting services and surveys, carrying out all types of repairs. Holding tank emptying and inspections. The Framework agreement will be for a period of 48 months, running from Monday 26th February 2024 to 25th February 2028. It is expected that a

maximum of 8 Contractors may be appointed onto each of the geographical lots (Midlands & National) of the Framework, ensuring that all our member's requirements are covered taking into consideration the range of locations our members are located in. The Framework requires EEM to cover the UK under the following sub lots: Sub Lot 1 is being created to support Members with the geographical area Midlands. Sub Lot 2 is being created to support Members with the geographical area National.

For further information and to access the tender pack please visit <https://www.delta-esourcing.com/> and select, Response Manager and search access code: V2V7VP9X5V .

II.2.14) Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers

will be based solely on the criteria set out for this procurement. The call-off contracts to be awarded pursuant to the framework agreements to be entered at conclusion of the procurement exercise may extend for a duration of up to 5 years beyond expiry of the 4-year framework term.

Please note that the total potential framework value stated within this notice is in relation to the full 4-year framework and takes into consideration the lot structure, length of call off contracts and that the EEM membership may grow over the framework lifetime. Where the contract notice states a maximum of suppliers to be appointed to the Framework. EEM reserves the right to appoint less than the numbers stated. This framework is being procured by Efficiency East Midlands Ltd (EEM) on behalf of their members and the other organisations described below as being authorised users.

The following contracting authorities will be entitled to agree and award contracts under this framework agreement as Authorised Users:

1) any Member of EEM which for the avoidance of doubt currently includes 3 partner consortia - West Works (<https://www.westworks.org.uk>) Advantage South West

(<https://www.advantagesouthwest.co.uk> and South East

Consortium(<https://www.southeastconsortium.org.uk> A full list of current members is available at www.eem.org.uk

2) any future member of EEM or our partner consortia and in all cases being an organisation which has applied to join EEM or

our partner consortia in accordance with the applicable constitutional documents;

3) An EEM participant being an organisation which is neither a current or EEM member (as defined at 1 above) nor a future member of EEM (as defined at 2 above). Further details regarding the authorised users of this framework can be found in the ITT documents.
