Specifically, it contributes to work in response to the recommendation that 'Welsh Government should establish a framework to support innovation within youth work services in Wales in order to improve standards within the sector'. The Quality Mark helps to establish baselines for the quality of services and can highlight good practice and innovation.

The Quality Mark for Youth Work in Wales has been developed with two elements; the Quality Standards – a set of Indicators that organisations can use to self-assess the quality and impact of their work, and an externally assessed Quality Mark that is a national award demonstrating the quality of an organisation's youth work.
