Case studies can include testimonials from placement participants (including under-represented groups such as disabled persons or care leavers”), address fair work practices, 3rd sector/community assistance or collaboration or general innovation. Can be regarded as an extended press release (available for the Council to use in further communications). The submission and frequency will follow the Contract Management Framework reporting agreement.

Carbon Reduction

Scotland's Climate Change Declaration and Aberdeen City Council's ambitions to become a climate positive city and move towards a just transition to a net-zero, green, wellbeing economy represent key local and national priorities.
