The Pilot solution allowed staff to be deployed into Suffolk, thus not creating further pressure on an already fragile local staffing resource.

A six month contract to continue this service with the Pilot Provider is required to allow SCC sufficient time to undertake Market Engagement and run a procurement process for this service in the future.

Market Engagement is expected to commence during January 2023.

The value of the 6 month contract is up to £5,000,000 + VAT.
