Commando Forces Mission Partner

II.1.2) Type of contract and location of works, place of delivery or of performance

Services

Service category No 3: Defence services, military defence services and civil defence services

NUTS code

- UK - United Kingdom

II.1.5) Short description of the contract or purchase(s)

The Commando Force Mission Partner project is to implement a framework to enable the delivery and support of a military designed and built Command, Control, Communication, Computers and Cyber Information Systems (C5IS) requirement for the Cdo Force and aligned Defence Specialist Users. Developed with Future Capability Group (FCG), it will provide a cross-Defence Lines of Development (DLOD) wrapper and demonstrate a bridging solution from experimentation to in-service delivery and enable future scaling for a larger number of users and sensors.

Project EVE is an OFFICIAL-SENSITIVE networked CIS system which digitally connects front-line Commandos to globally dispersed Command and Control (C2) elements using a combination of bearer solutions as required.

II.1.6) Common procurement vocabulary (CPV)

- 75220000 - Defence services

II.1.8) Lots

This contract is divided into lots: No

II.2) Quantity or scope of the contract
