II.1.4) Short description

We are looking for a supplier or suppliers who can work with us to implement the next phase of the Community Research Networks programme. The supplier(s) will be responsible for working in partnership with UKRI to develop and deliver: -A grant administration and applicant support process -A strategic coordination programme The work will begin in January 2024 and will be complete by January 2030. Community Research Networks is a funding call launched by UKRI in July 2022. The purpose of the programme is to fund consortia across the UK to build the capacity, capability and connectivity required to support sustainable and equitable community engagement with research. This programme supports our public engagement strategy objective to make sure the benefits of research and innovation are shared widely by supporting collaboration and valuing diverse forms of knowledge.
