Pipeline

EV charging points funded by LEVI for residential benefit

Swindon Borough Council

UK1: Pipeline notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-036560

Procurement identifier (OCID): ocds-h6vhtk-055714

Published 1 July 2025, 5:23pm

Scope

Description

This will be a 15-year concession contract (plus 1) to enable the transition to Zero Emissions Vehicles (ZEV) in line with local, regional, national, and global objectives and facilitating the shift from the Internal Combustion Engine (ICE) vehicles to EV across Swindon Borough. Swindon Borough is going out to procure the design, supply, installation, operation, and maintenance, of local electric vehicle charging point infrastructure. This is enabled by the LEVI Fund, from which Swindon Borough Council has been awarded £1.942 million in capital funding.

The outcome from this procurement include a network suitable to equitably meet the demand for residents' EV charging needs.
