The London Borough of Camden is seeking to commission a new Carers Support Services Contract.

The service supports identification of Carers, increased access to a range of support including advice, information, statutory Carer assessments and peer support to enable Carers to remain connected to their community.

The Council has reviewed and upgraded its payment processes and is now able to offer the Supplier Incentive Scheme. For a small rebate our target is to pay invoices within 10 days, or earlier, after the receipt of a valid invoice. The Council therefore recommends Suppliers participate in the Supplier Incentive Scheme to improve their cash flow and ensure enhanced liquidity within your supply chain. Participation in the Supplier Incentive Scheme has therefore been included as part of this process and Suppliers are referred to the tender pack for further information.

Please note the deadline of this tender is now midday 12th December 2024.
