Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The Isle of Wight Council owns/has purchased previously ESRI software which is installed and configured on a server we host, as well as being deployed to user laptops for licenced users but we need to purchase the annual fee for support and maintenance and licences, in

order to continue to use the software. ESRI software also allows us to utilise mapping. ESRI

do not allow third parties to offer support and maintenance for this system and are the only

providers for support and maintenance for their software. The Council intends to direct award to ESRI for this provision under Crown Commercial Services (CCS) framework RM3821 Lot 2b Data and Applications Solutions (DAS) where our requirement is intrinsically linked to a system already within our organisation (IWC). The Isle of Wight Council issued a VEAT notice on 16th December 2022 (Reference 2022/S 000-035612) and has observed a 10-day standstill period which ended at midnight on 28th December 2022.
