II.1.2) Main CPV code

- 50710000 - Repair and maintenance services of electrical and mechanical building installations

II.1.3) Type of contract

Services

II.1.4) Short description

Subject to budget confirmation, the IMO Miscellaneous Major Repairs 2024 includes:

1. Kitchen Ductwork remedial works, including final design coordination, as follows:

- Modify existing ceiling to provide access to kitchen extract ductwork for cleaning and maintenance.
- Supply and install additional access panels within the kitchen ductwork for cleaning and maintenance.
- Remove fire dampers from extract ductwork.
- Replace existing kitchen extract ductwork with fire rated ductwork.
- Replace solid ceiling for grid system in part of restaurant servery area.

2. Replacement of existing lighting control system and light fittings to LED within, including associated final design coordination, in the Restaurant and Ground Floor entrance hall

3. Replacement of existing fan coil unit controllers within the restaurant area with all the necessary ancillaries

The outline scope of works following the above contractors design portion shall comprise, but is not limited to, the following:

- Undertake full detail design of all necessary modifications to existing control systems
- Supply and install new outstation controllers within riser control enclosures
- Supply and install new fan coil unit controllers and associated sensors
- Modify BMS head end to fully incorporate new controllers

We are looking for a Principal Contractor to deliver the full work package.
