IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The purpose of this VEAT notice is to inform and provide prior notice to the market that the Authority intends to modify its Framework Agreement (EDR 20-015) Supply and Delivery of Science and Technology Equipment and Supplies.

The requirement has arisen to modify the value of this Framework Agreement due to an unforeseen increase in demand for Science and Technology Supplies.

The modification is proposed in accordance with Regulation 72 (1) (c) and will comply with each of the following conditions pertaining to this regulation as outlined below:

(i) the need for modification has been brought about by circumstances which a diligent contracting authority could not have foreseen i.e. additional spend resulting from an increase in practical lessons within schools.

(ii) no aspect of the modification will alter the overall nature of the Framework Agreement with the only modification relating to value ensuring that the scope remains unaltered

(iii) the increase in expenditure will not exceed 50% of the value of the original Framework Agreement

IV.1.3) Information about a framework agreement

The procurement involves the establishment of a framework agreement

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure
