Explanation:

In accordance with the variation procedure set out in Schedule 7 of the CDS Framework Agreement and in accordance with Regulation 33 of the Public Contract Regulations 2015, the Authority shall be extending the term of the CDS Framework Agreement by 9 months due to certain exceptional circumstances. These include, but are not limited to, the fact that the subject matter of the CDS Framework Agreement allows for the provision of complex clinical digital IT systems for the integrated health economy and that there are outstanding call offs to the CDS Framework Agreement which are currently being negotiated that would result in considerable extra expense and delay to all parties involved if such call offs were postponed or cancelled and then re-tendered due to the expiry of the CDS Framework Agreement.

All new procurements will be advertised under the new CDHS framework when it comes into being and in the meantime, any suppliers that believe that they will be adversely affected by this notice should contact Mark Fox CDS@gstt.nhs.uk in the event that they have any questions.'
