II.2.4) Description of the procurement

We are seeking to procure a high-quality, Level 3 accredited and employer-endorsed training provision that aligns with the needs of employers and the wider economy. The provision should deliver targeted interventions to address short- to medium-term skills shortages, supporting vacancy fulfilment and driving productivity. It must actively reduce barriers to access and promote equality, enabling participants* to progress into higher-skilled, well-paid employment, while increasing engagement from under-represented groups in education and training. Training will be available across the West Yorkshire region, unless there is a call to support a specific region or cohort.

We are seeking to commission a suite of Level 3 courses across 2 Lots. Blending the acquisition of specialist skills, accredited qualifications, holistic wrap-around support and careers information, advice and guidance. The training will support learners to progress with improved labour market status, following course completion.

Please see PIN document attached for more information.
