II.1.4) Short description

NEPO seeks to establish a multi-supplier Framework Contract for the provision of General Banking Services. It is envisaged that the service will be used to deliver core transactional banking arrangements, providing bank account structures to be used for outgoing payments such as creditor cheques, CHAPS, BACS, direct debits, standing order payments, balance requests, commission charges and associated interest payments.

Alongside these core transactional services, the framework agreement will include ancillary services which sit outside the core contract such as receipt accounts to receive payments, rent allowance accounts for benefit payments, wage accounts for staff salary payments and petty cash accounts and treasury deposits.
