Routine inspection, maintenance, and repairs of roll on/roll off containers and compactors

Reference number

T2514

II.1.2) Main CPV code

- 50530000 - Repair and maintenance services of machinery

II.1.3) Type of contract

Services

II.1.4) Short description

The ITT issued by the Council in connection with a competitive procurement being conducted in accordance with the Regulations.

The Council invited Tenders from suitably qualified and experienced economic operators 'Bidders' for the provision of routine inspection, maintenance, and repairs of roll on/roll off containers and compactors.

The ITT set out the information which was required by the Council to assess the suitability of Bidders' experience, organisational and financial standing to meet the ITT requirement. In addition to this, quality, social value, and pricing proposals were also assessed before the contract award was made.

II.1.6) Information about lots
