II.1.4) Short description

Efficiency East Midlands Ltd (EEM) is a not for profit consortium set up to drive cost and efficiency savings in the public sector. Since 2010, EEM has to deliver comprehensive yet simplified procurement solutions, which offer a wide range of compliant, competitive and high-quality products and services. EEM's vision is to develop a collaborative working approach, which delivers the fullest possible range of organisational, financial and social benefits.

EEM was formed in 2010 with five founding members, all housing providers determined to reap the benefits of collaborative procurement. Since then, our work has grown to working with over 360 public sector organisations including Housing Associations and ALMO's, Local Authorities, NHS Trusts, Education Providers, Emergency Services, Government Agencies and Charities.

EEM also work in collaboration with 3 like-minded procurement consortia - Westworks, South East Consortium and Advantage South West. The aim is to work together to align processes and practices, share our frameworks where possible and provide the best possible service to our combined members and usership.

All current and future members and users of EEM are able to access this Framework.

EEM are conducting this tender exercise to procure a digital aerials framework. The framework will be tendered and awarded based on the following EEM wishes to procure and enter into framework agreements with multiple contractors, each of which will provide services covering all areas related to digital aerial systems and any additional relatable services, to

support members in maintaining property stock standards.
