II.1.4) Short description

NHS Midlands and Lancashire Commissioning Support Unit (MLCSU) is working on behalf of North Staffordshire Combined Healthcare NHS Trust (NSCHT) who are looking to undertake a multi-lot Competitive Process for Community Partnership Commissioning, including:

Lot 1 Health and Lifestyle Service

Lot 2 Future Focus Peer Coach Service

Lot 3 Financial Wellbeing Service

It is the intention of the NSCHT to start commissioning contracts for the above services from 1st April 2025 for 3 years with an option to extend for a further 1 year, and possibly another year (5 years total).

Contract start date: 1st April 2025

Contract end date (including possible extensions): 31st March 2030

Please see below total contract values for 5 years:

Lot 1 Health and Lifestyle Service - £580,000

Lot 2 Future Focus Peer Coach Service - £1,800,000

Lot 3 Financial Wellbeing Service - £200,000

The ITT will be live on Thursday 14th November 2024

on the Atamis Portal. The deadline for submissions

will be Wednesday 11th December 2024 12:00pm midday.

Bidders who submit a bid over the maximum contract values, for each lot, will not achieve the score of a pass. This will be checked during the evaluation of the pass/fail questions in the Basic Selection Envelope. There is a further competition on price.

To express interest and participate in the Competitive Process,

please register and apply via Atamis e-sourcing portal <https://health-family.force.com/s/Welcome>.

There will be a maximum of 3 contracts totalling £516,000 annually. The overall maximum contract value for all 3 lots, including possible contract extensions is £2,580,000.

Main site or place of performance

North Staffordshire and Stoke -on - Trent

II.2.4) Description of the procurement

Lot 1 Health and Lifestyle Service - to promote health, weight management, nutrition and wellbeing.

The purpose of this procurement exercise is to appoint a provider to support the provision of Health and Lifestyle Support for Mental Health Services (North Staffordshire and Stoke on Trent) for North Staffordshire Combined Healthcare Trust NSCHT.

Weight management and promotion of positive lifestyles is complex, and this is especially true for people with severe mental illness. They are more likely to have common risk factors for being overweight, such as reduced access to healthy food, lower incomes and health conditions that limit their mobility. In addition, they have risk factors not typically faced by the general population, such as weight gain related to psychiatric medication and admission to inpatient wards with fewer opportunities to be physically active.

This service will not include smoking cessation support as it is anticipated that this will be a separately commissioned service in line with national aspirations for smoking support outlined in the NHS Long Term Plan.

A maximum of 1 bidder, or consortium, may be selected for each lot. The highest overall scoring bidder for each lot, will be recommended as a successful bidder

II.2.4) Description of the procurement

Lot 2 Future Focus Peer Coach Service - to provide a lived experience support offer to individuals where an expert by experience input would be of benefit for recovery and to address social stressors to mental illness.

The purpose of this procurement exercise is to appoint a provider to support the provision of a Future Focus Peer Coach (FFPC) Service within Mental Health Services (North Staffordshire and Stoke on Trent) for North Staffordshire Combined Healthcare Trust (NSCHT).

The objective of the FFPC Service provision is to enable Service Users to stay well in their recovery journey. The ways in which people are supported can be flexible, should be person centred and help people to make the best use of their community resources.

The Service will form a part of an integrated pathway across the voluntary sector, primary and secondary care mental health and social care. It should be based on recovery and social inclusion principles and designed to be accessible and to prevent people falling through gaps between services.

A maximum of 1 bidder, or consortium, may be selected for each lot. The highest overall scoring bidder for each lot, will be recommended as a successful bidder
