Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement.

SNG (Sovereign Network Group) was formed in October 2023 through the merger of Sovereign Housing and Network Homes. We provide over 80,000 homes serving over 210,000 residents and invest in communities across the South of England, with an aim to create thousands of new affordable places for people to live every year. Call-off contracts from this framework may be in the name of Sovereign Network Homes and or Sovereign Network Group

Other Social Housing Providers in the UK (both those that are in existence now and those that may come into existence during the term of the Framework Agreement) may also be entitled to call-off contracts under the Framework Agreement. "Social Housing Provider" for this purpose means any provider of social housing and includes registered providers (as listed on the Gov.UK Website: <https://www.gov.uk/government/publications/current-registered-providers-of-social-housing>), and may include local authorities and ALMO's. Applicants should note that, under the Framework Agreement, no organisation that is entitled to call-off shall be under any obligation to do so neither does the social housing provider in question have the automatic right to do so without direct permission from Sovereign Network Homes.

Where other "Social Housing Providers" call-off contracts under this Framework Agreement, the value of the framework may increase over its 4 year duration.

The estimated value of the framework is 8000000 GBP.
