Value excluding VAT: £348,650

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

UNITED KINGDOM

II.2.4) Description of the procurement

CITB have a requirement for a Voice of the customer platform and support services to enable 360 view of customer feedback, pain points and friction of CITB services to increase lifetime value. CITB require the platform to provide employee engagement and Customer research through data collection and subsequent analysis to support CITB decision making. CITB's goal is to become a customer centric organisation, and this solution will enable to monitor, collate, and act upon customer feedback across all segments. Currently CITB have no capacity to do this and often collate information through word of mouth and field engagement. This insight will inform how to improve all areas of CITB from customer service, product develop, strategy etc. CITB requires a contract to be awarded for a period of 4 years with the option to extend for a further 2 years.
