I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Health

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Supply and Support of HLA Rapid Typing Systems

II.1.2) Main CPV code

- 33100000 - Medical equipments

II.1.3) Type of contract

Supplies

II.1.4) Short description

Supply and Support of HLA Rapid Typing Systems

II.1.5) Estimated total value

Value excluding VAT: £800,000

II.1.6) Information about lots

This contract is divided into lots: Yes

II.2) Description

II.2.1) Title

Equipment and Maintenance

Lot No

2

II.2.2) Additional CPV code(s)

- 33000000 - Medical equipments, pharmaceuticals and personal care products

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Supply and Support of HLA Rapid Typing Systems

II.2) Description

II.2.1) Title

Kits & Consumables

Lot No

1

II.2.2) Additional CPV code(s)

- 33000000 - Medical equipments, pharmaceuticals and personal care products

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Supply and Support of HLA Rapid Typing Systems

II.3) Estimated date of publication of contract notice

1 February 2026

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

Supply and Support of HLA Rapid Typing Systems

NHS Blood & Transplant (NHSBT) Histocompatibility & Immunogenetics function intends to undertake a tender exercise for the supply and support Human Leukocyte Antigen (HLA) rapid typing systems suitable for acute clinical work.

Histocompatibility & Immunogenetics (H&I) is a strategic business function of NHSBT, that provides a portfolio of testing, advice and support in transplantation, platelet refractoriness and transfusion reactions.

Services are supplied through a national network of six laboratories across England. We would like to work with future suppliers of choice to perform HLA rapid typing system in an efficient, timely and cost-effective manner to meet the demands and expectations of our customers and the patients we serve.

Prior to commencing a formal procurement process and to help inform our strategy, NHSBT is seeking to engage with suppliers of commercially available HLA rapid typing systems. NHSBT would like to improve our knowledge of all current and future systems available in the marketplace. This will aid identification of opportunities and gauge market interest in this field.

We require HLA rapid typing system(s) to cover the following:

- The solution must detect, as a minimum, all alleles of the HLA-A, B, C, DRB1, DRB3/4/5, DQA1, DQB1, DPA1 and DPB1 loci as defined in:
 - o Minimum typing requirements for reporting donor and recipient HLA types.
 - o HLA Conversion Chart for Organ Allocation.
- The solution must comprise of the essential kits and associated consumables to obtain a result and positive identification of samples throughout the process.

From test material addition to the availability of an interpreted results the turnaround time should be less than three hours.

In addition, we are also interested in technology that can:

- Provide 2nd field HLA type at the above loci
- In under 6 hours

NB: Procurement of the above systems will be tendered by different lots e.g. Lot 1 kits & consumables, lot 2 equipment and maintenance. Please note the equipment will be selected by the compatibility with the chosen kits).

Respondents will be invited to pre-procurement engagement meetings on the 13th, 14th, 27th and/or 28th January 2025 these will be held remotely. To enable NHSBT to finalise arrangements (e.g. send meeting details and agree time slots) for the supplier engagement meetings, interested organisations are required to send an expression of interest via email to coco.otiotio@nhsbt.nhs.uk by no later than 17:00 hrs (GMT) on 16/12/2024. This should include a list of your potential attendees and a brief overview (or a website link) of the Goods /Services which might be offered. Please include options, if available, to offer a managed service contract.

No business whatsoever is guaranteed under any resulting framework agreement or contract, and there is no guarantee that any framework agreement or contract will be put in place in relation to this notice. No compensation etc. will be paid if a tender or resulting framework agreement is withdrawn for any reason. Bidders should take part in this process only on the basis that they fully understand and accept this position.

It should be noted that this procurement exercise may allow other Health authorities to utilise any contracts/ framework agreements awarded.
