Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The contract involves repetition of similar services entrusted to the economic operator to which the university awarded an original contract. The services are in conformity with a basic project for which the original contract was awarded. A change of supplier would oblige the university to acquire services having different technical characteristics which would result in disproportionate difficulties to consistent project delivery, including protection of intellectual property rights.
