This will require active monitoring of payment performance and provision of evidence and reporting to the Scottish Government on a regular basis. Bidders who fail to answer "Yes" to this question will not have their tender considered further.

4C.7 Light Touch: Bidders will be required to confirm that they will employ environmental management measures that meet the following requirements: Evidence that their organisation has taken steps to build their awareness of the climate change emergency and consideration of how they will respond. This should include details of planned projects and actions to reduce the bidder's carbon emissions.

4C.10 Bidders will be required to confirm whether they intend to sub-contract and if so, for what proportion of the

contract.

Bidders must confirm that they will pay staff that are involved in the delivery of services under the contract, at least the real Living Wage. Any tenderer who answers "No" to this question will not be subject to further evaluation.

Bidders will be required to complete a Supplier Assurance Questionnaire with a Moderate risk allocated. Suppliers must pass the initial questionnaire or provide a Cyber Implementation Plan.
