II.1.4) Short description

Working in co-ordination with Redcar and Cleveland Borough Council, Tees Valley Combined Authority (TVCA) would like to support a bus service providing coverage from areas of East

Cleveland to Teesport.

The service should be operated in accordance with the Service 102 timetable (Part 5), which coordinates with company shift patterns to allow access to employment for workers at

Teesport. As well as this, the service will provide new links to key employment sites at Wilton International, British Steel, and has the potential to serve Teesworks (when the Park and

Ride site is complete).

As the purpose of this service is connectivity to Teesport employment opportunities, the final timetable will be subject to boarding restrictions, meaning users may only board from

Easington to Dormanstown on the way to the site and alight from Dormanstown to Easington on return journeys.

TVCA is seeking to procure an operator to run the extension for a one-year pilot, there will

also be an optional extension period of a further year, subject to agreement. During this period, TVCA will provide financial support for the service. There will be a 3-month cancellation clause for the contract, should this be required.

II.2.4) Description of the procurement

The Teesport site is a largely growing employment base for multiple businesses, including PD ports, Tesco and Asda warehouses. It is the intention that the service will connect residents of East Cleveland to employment opportunities and also encourage existing employees to use sustainable transport.

In addition to this, the service will provide links to key employment sites at Wilton International, British Steel, and has the potential to serve Teesworks (when the Park and Ride site is complete).
