Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Major Repair Works in Occupied Domestic Properties

Reference number

93277

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

The works, identified during the course of legal claims for disrepair, comprise random repair and maintenance and remedial works to Council owned properties and their environments of which the majority will be occupied. Some repairs may need to be carried out to vacant Affected Properties where the tenants have been temporarily re-housed owing to the extent of the proposed works.

The Contractor should take account that these works are often undertaken within restricted timescales imposed by Court Orders, Injunctions and or legally enforceable agreements and that the execution of the work within these timescales is paramount.

Repair work to occupied properties shall generally be carried out by pre-arranged appointment, made by the Contractor in accordance with instruction from the Contract Administrator.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45000000 - Construction work
- 45211000 - Construction work for multi-dwelling buildings and individual houses

II.2.3) Place of performance

NUTS codes

- UKE42 - Leeds

II.2.4) Description of the procurement

Leeds City Council has significant Housing stock of over 50,000. The council has a duty to ensure it has adequate resources to repair, maintain and improve its stock. This contract will give the Council adequate capacity to address the high volume of disrepair claims and support the council in the delivery of its strategic obligations of preventative maintenance and strategic disrepair prevention activity.

When a disrepair claim is submitted and the Council is subjected to legal action relating to the condition and this can obligate LCC to undertake remedial works and improvements to Council owned property. Such legal actions will necessitate the execution of works to Council owned property.

The works, identified during the course of legal claims for disrepair, comprise random repair and maintenance and remedial works to Council owned properties and their environments of which the majority will be occupied. Some repairs may need to be carried out to vacant Affected Properties where the tenants have been temporarily re-housed owing to the extent of the proposed works.

The Contractor should take account that these works are often undertaken within restricted timescales imposed by Court Orders, Injunctions and or legally enforceable agreements and that the execution of the work within these timescales is paramount.

Repair work to occupied properties shall generally be carried out by pre-arranged appointment, made by the Contractor in accordance with instruction from the Contract Administrator.

Leeds City Council have engaged separate Contractors to carry out repair and maintenance of gas appliances and heating installations in occupied dwellings.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents
