Changes to notice

This notice has been edited. The [previous version](#) is still available.

Update of link which was causing issues

Scope

Description

Combined Tender for MoP and DC/DA Services

These will be split into different lots.

MOP

A MOP is responsible for the installation and maintenance of electricity meters and communication (comms) links.

DC/DA

Severn Trent Water Limited, Dee Valley Water plc & Severn Trent Green Power Limited require a single supplier to provide the DA/DC services for all of their estate.

Severn Trent Water (STW) and Hafren Dyfrdwy (HD) require a single supplier to provide Data Collector/Data Aggregator (DC/DA) services.

The Data Collector (DC) is an organisation that is accredited by OFGEM to collect half-hourly metering system data and Smart meter data.

The Data Aggregator (DA) is an organisation that is accredited by OFGEM to aggregate and validate the metering data that has been collected. The data then is provided to suppliers for billing and settlement purposes.
