- UKJ44 - East Kent

Main site or place of performance

Port of Dover

II.2.4) Description of the procurement

Purchase of specialist ferry berth hydraulic cylinders, technically required to match the existing units for compatibility.

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

Additional deliveries by the original supplier are required as a partial replacement of supplies/installations. A change of supplier would oblige DHB to acquire supplies having different technical characteristics which would result in incompatibility with the existing, specialist control systems and would cause disproportionate technical difficulties in operation and maintenance.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract/concession

A contract/lot is awarded: Yes

V.2) Award of contract/concession
