Additional information can be obtained from the above-mentioned address

Tenders or requests to participate must be submitted to the above-mentioned address

I.6) Main activity

Electricity

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Natural Capital Baseline and Tool

II.1.2) Main CPV code

- 72210000 - Programming services of packaged software products

II.1.3) Type of contract

Services

II.1.4) Short description

SSE require a software system to enable us to assess and baseline the natural capital of our land assets and networks, the development of this should be underpinned by appropriate ecological expertise. It is essential that the system enables us to track changes in natural capital and ecosystem services.

The system should provide a GIS-based analytics model detailing habitats on the ground for both the baseline and subsequent changes. The analytics model is required to satisfy the requirements of the Biodiversity net gain legislation for baselining the impact SSEN has on its environment

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

sse require a software system to enable us to assess and baseline the natural capital of our

land assets and networks, the development of this should be underpinned by appropriate ecological expertise. It is essential that the system enables us to track changes in natural capital and ecosystem services.

The system should provide a GIS-based analytics model detailing habitats on the ground for both the baseline and subsequent changes. The analytics model is required to satisfy the requirements of the Biodiversity net gain legislation for baselining the impact SSEN has on its environment

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

Yes

Description of renewals

option to renew for a further 2 years
