Competitive flexible procedure

Competitive flexible procedure description

This procurement follows a two-stage Competitive Flexible Procedure in accordance with the Procurement Act 2023. Stage 1 comprises a Procurement Selection Questionnaire (PSQ) assessing eligibility, financial standing, and technical capacity. Suppliers who passed all PSQ Pass/Fail questions and are the top six suppliers scoring highest on the project-specific questions will be invited to Stage 2 - Invitation to Tender (ITT). The aim is to establish a multi-supplier framework for arboricultural maintenance and tree planting across Hackney, ensuring flexibility, resilience, and best value through a schedule of rates model.
