II.2.4) Description of the procurement

Thames Water Utilities Ltd is seeking to award a contract to a sole supplier with the capabilities to provide refrigerated collection and delivery of clean water and sewage samples from company sites throughout the Thames Water operating area delivering to the dedicated laboratory in Reading, Berkshire, UK. Included within this service is the collection, sorting and delivery of internal post and parcels to the Thames Water sites.

There are approximately 51 sites requiring visitation, these being sample collection points, post collection and delivery points. 6 sites are to be visited for sample collection only at weekends and Bank Holidays.

The full schedule of visitation times will be made available in the tender documents.

Samples need to be transported under secure refrigerated (between 2 and 8 degrees Celsius) conditions, with a clear chain of custody, to the Thames Water laboratory in Reading, Berkshire, UK.

The capability for Ad-Hoc collections from a list of up to 15 sites and delivery to Thames Water laboratory in Reading, at any time is required.

There is also a requirement to make pre-booked deliveries to or from anywhere in the UK following notification by 13:00 the day before.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

VI.3) Additional information

All suppliers who wish to respond to this contract notice must request a pre-qualification questionnaire (PQQ) by using the web link in Section I.3 (www.thameswater.co.uk/procurement)

From your response to the link in Section I.3 or above, Thames Water's Procurement Support Centre will send you an email providing login details for our eSourcing system (i.e. IASTA Smartsource). To complete the PQQ you will need to login to IASTA Smartsource.

If the project requires it, you will receive an additional and separate survey to complete for Data Protection. Note - The client may be Thames Water Utilities Limited or another company within the Kemble Water group structure.

VI.4) Procedures for review

VI.4.1) Review body

Thames Water Utilities Limited

Reading

Email

procurement.support.centre@thameswater.co.uk

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Thames Water Utilities Limited will incorporate a standstill period at the point information on the award of the contract is communicated to tenderers. That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into.

The Utilities Contracts Regulations 2016 (SI 2016 No 274) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).
