Description

This Market Questionnaire seeks options and potential solutions relating to the national roll out of Oxygen and Analgesia for His Majesty's Coastguard to support our capability.

HM Coastguard are looking to introduce provision of medical gases to its national network of Coastguard Rescue Teams and a number of full-time officers, the requirement will be to provide;

- Portable Oxygen O2 2L / CD size in all Coastguard locations and area central Hubs
- Portable Nitrous Oxide: N2O (Entonox/Nitronox) 2L size in strategic location across HM Coastguard (approx. 30%) of all locations

This initial market questionnaire aims to understand the scale, knowledge and capability of the market along with what appetite there is for delivering this service. The MCA would like to understand a broad overview of how you would deliver the service and what costs that would entail over what is an anticipated 5 year contract.
