## Section VI. Complementary information

### VI.3) Additional information

LQ is a regulated charitable housing association and one of the UK's most successful social businesses. We're a long-term partner in the neighbourhoods where we work. We build aspiration, opportunity, and confidence for everyone in our communities. Our vision is that everyone deserves a quality home that provides them with the opportunity to live a better life. This echoes our purpose to provide homes and neighbourhoods that everyone can be proud of. We will do this by delivering safe, high-quality homes, services, and support for all our residents. As a regulated charitable housing association, all the money we make is reinvested into new and existing homes, creating successful communities, and providing services for our residents. L&Q is regulated by Homes England and the Regulator of Social Housing (registration number L4517), and is an exempt charity registered under the Co-operative & Community Benefit Societies Act 2014 (registration number 30441R). LQ Living are our dedicated care and support team providing homes and services to than 10,000 people across London, the South East and North West of England. We directly support people with mental health illnesses, people with learning disabilities, and older and young people. We understand that everyone has different needs and tailor our care and support services to each person. Where we provide catering services in two of our extra care schemes based in East London and Essex, we've listened to resident feedback about improvements that could be made to our services and are now researching what may be possible. This is a market testing exercise. L&Q wish to engage with the market for feedback on solutions to support our in-house team engage with local SMEs and Catering Supply Providers in relation to supply of batched cooked reheatable meals, chilled and ambient foods as well as other associated goods or supplies. L&Q are seeking solutions that can provide the following, • A catering model that represents value for money in terms of quality and cost. • Seasonal, sustainable and local produce/ main course meals and puddings that will be reasonably priced and appeal to all dietary requirements. • Reheatable meals that are batched cooked from scratch, can be delivered, and are compliant with all relevant regulation and legislation. • Innovation to reduce waste and support our environmental and sustainability goals.
