UK7: Contract details notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-037347

Procurement identifier (OCID): ocds-h6vhtk-0558e7

Published 4 July 2025, 11:11am

Scope

Description

MDC required a sample management system that offered additional governance around the tracking of HBS, provides quality assurance to regulators and commercial partners, and improves lab efficiency. As such, the software has to facilitate restricted access to sample records and provide a full and accurate audit trail of different sample types, their lineage, and their metadata.
