### Scope

### Reference

NEX24/27

### Description

Nexus has a requirement for a technical advisory consultant to assist in their engineering department.

This will be a sole supplier 3 year framework, with the option to extend a further 2 years.

Nexus requires an appropriately skilled and experienced specialist technical advisory consultancy to provide technical support in the development of solutions that are practical, cost effective and innovative, where appropriate, during both the pre-construction and implementation stages of a project, or to give technical advice when needed to assist Nexus engineering in the replacement and/or upgrade of rolling stock vehicles and equipment.
