I.4) Type of the contracting authority

Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

CP2322-22 Contract for the secure collection and disposal of Leachate effluent from closed landfill sites

Reference number

DN703732

II.1.2) Main CPV code

- 90000000 - Sewage, refuse, cleaning and environmental services

II.1.3) Type of contract

Services

II.1.4) Short description

The primary requirement of the Service is for the Contractor to safely collect Contract Waste from the Waste Collection Points and transport the same to their authorised Nominated Waste Disposal Points for disposal.

Leachate effluent at the Waste Collection Points may be contained within a leachate holding lagoon or in a storage tank.

The Contractor may choose, at no extra cost to the Authority, to temporarily store the collected leachate effluent at an authorised storage facility until such time when the Contractor is able to transport the waste to an authorised disposal facility.

The Service also entails cleaning out settling lagoons at locations indicated in the Specification. This involves the removal of leachate from the lagoons, removal of debris and sediments and their subsequent disposal at authorised disposal facilities.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKK43 - Devon CC

II.2.4) Description of the procurement

The primary requirement of the Service is for the Contractor to safely collect Contract Waste from the Waste Collection Points and transport the same to their authorised Nominated Waste Disposal Points for disposal.

Leachate effluent at the Waste Collection Points may be contained within a leachate holding lagoon or in a storage tank.

The Contractor may choose, at no extra cost to the Authority, to temporarily store the collected leachate effluent at an authorised storage facility until such time when the Contractor is able to transport the waste to an authorised disposal facility.

The Service also entails cleaning out settling lagoons at locations indicated in the Specification. This involves the removal of leachate from the lagoons, removal of debris and sediments and their subsequent disposal at authorised disposal facilities.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 20

Price - Weighting: 80

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

End date

31 March 2026

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.7) Conditions for opening of tenders

Date

22 January 2024

Local time

12:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

The authority reserves the right to cancel the procurement process at any stage. The authority does not bind itself to accept the lowest or any tender, and reserve the right not to award a contract. The authority reserves the right to award the contract in part, or to call for new tenders should they consider this necessary. Economic operators remain responsible for all costs and expenses incurred by them or by any third party acting under instructions from them in connection with their

participation in this procurement, whether incurred directly by them or their advisors or subcontractors and regardless of whether such costs arise as a consequence direct or indirect of any amendments to documents issued by the authority at any time, or as a consequence of the cancellation of the procurement by the authority. For the avoidance of doubt, the authority shall have no liability whatsoever to economic operators or their advisors or subcontractors, for any of their costs, including but not limited to those for any discussions or communications. Any contract(s) or agreement(s) entered into as a result of this contract notice shall be considered as a contract(s) or agreement(s) made under English law and subject to the exclusive jurisdiction of the English courts. If an economic operator considers that any information supplied by it during this procurement process is commercially sensitive or confidential in nature, this should be highlighted and the reasons for its sensitivity as well as the duration of that sensitivity specified. Economic operators should be aware that even where they have indicated that information is commercially sensitive, the authority may disclose it pursuant to the Freedom of Information Act 2000 in response to a request for information where such disclosure is considered to be in the public interest. Please note that the receipt by any of the authority of any materials marked 'confidential' or equivalent shall not be taken to mean that the authority accepts any duty of confidence by virtue of that marking. Tender documents are accessible via www.supplyingthesouthwest.org.uk. All expressions of interest are to be made via

www.supplyingthesouthwest.org.uk. All questions or enquiries regarding the tender are to be asked via the messaging function within the opportunity through www.supplyingthesouthwest.org.uk
