Section II: Object

II.1) Scope of the procurement

II.1.1) Title

New Build Development Works & Associated Drainage, Infrastructure & Highways Works at Tudor Inn, Cimla, Neath

Reference number

00993

II.1.2) Main CPV code

- 45211000 - Construction work for multi-dwelling buildings and individual houses

II.1.3) Type of contract

Works

II.1.4) Short description

Tai Tarian is seeking to award a Contract for New Build Development Works & Associated Drainage, Infrastructure & Highways Works at Tudor Inn, Cimla, Neath, including managing demolition within an occupied area, to support Tai Tarian in the delivery of its development programme.

The work comprises of the demolition of 2 existing properties to form access for the construction of 12 houses and 10 apartments and associated external works, drainage and incoming services.

Tenderers should note that a site visit may be made at any time. Tenderers are responsible for obtaining any further information including inspection of the site (and will have deemed to have done so) to ensure sufficiency of your Tender.

Tenderers must complete the Contract Sum Analysis (Appendix 2 – Contract Sum Analysis) in the format provided. A breakdown of the external works costs and preliminaries is also required.

Collateral warranties will be required from all designers and will only be accepted in the format contained in Appendix 1 – Contract Documentation.

Tenderers are reminded that it is expected that the Tenderers proposals will mirror the Employers Requirements. Any alterations must be clearly identified.

A S104 Agreement will be required for the scheme. All costs associated with obtaining this agreement will be borne by the Contractor and should be included within the tender sum. For the avoidance of any doubt, this should include all legal fees, surety costs and commuted sums.

It is anticipated that a S278 Agreement will be required for the scheme. All costs associated with obtaining this agreement will be borne by the Contractor and should be included within the tender sum. For the avoidance of any doubt, this should include all legal fees, surety costs and commuted sums.

The client has commenced with the SAB application, and it is hoped that this will be in place prior to signing of contracts. All costs associated with obtaining this agreement will be borne by the Contractor and should be included within the tender sum. For the avoidance of any doubt, this should include all legal fees but can exclude any surety costs or commuted sums.

Tenderers should note that the specification documents must be complied with fully and no deviation from the listed items will be accepted, unless agreed with Tai Tarian prior to installation.

II.1.5) Estimated total value

Value excluding VAT: £5,500,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45211300 - Houses construction work
- 45211340 - Multi-dwelling buildings construction work
- 45215214 - Residential homes construction work
- 45400000 - Building completion work
- 45110000 - Building demolition and wrecking work and earthmoving work

II.2.3) Place of performance

NUTS codes

- UKL17 - Bridgend and Neath Port Talbot

II.2.4) Description of the procurement

It is anticipated that the Contract shall operate for a period of 24 months until completion of the scheme, and Tai Tarian reserves the right to extend the Contract.

Tenderers should note that a contract period of 24 months has been identified within the Employers Requirements, as a guide only. Tai Tarian expects that a contract period is proposed by the tenderers as part of their submission, which makes allowance for the time involved in discharging planning pre-start conditions.

The Form of Contract is JCT Design & Build Contract 2024 including Schedule of Amendments.

The estimated value of the Contract is 5,500,000 GBP (excluding VAT).

Prices submitted in the Contract Sum Analysis (Appendix 2 – Contract Sum Analysis) are to be fixed for the length of the Contract.

The Contractor shall submit, for approval and subsequent payment, monthly interim valuation applications at the end of each established stage or period in accordance with the contract conditions (Appendix 1 – Contract Documentation).

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

24

This contract is subject to renewal

Yes

Description of renewals

Tenderers should note that a contract period of 24 months has been identified within the Employers Requirements, as a guide only. Tai Tarian expects that a contract period is proposed by the tenderers as part of their submission, which makes allowance for the time involved in discharging planning pre-start conditions and ground remediation works.

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

VI.3) Additional information

NOTE: To register your interest in this notice and obtain any additional information please visit the Sell2Wales Web Site at

https://www.sell2wales.gov.wales/Search/Search_Switch.aspx?ID=146110.

The buyer has indicated that it will accept electronic responses to this notice via the Postbox facility. A user guide is available at

https://www.sell2wales.gov.wales/sitehelp/help_guides.aspx.

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.

The Contractor shall ensure that all contracts with Subcontractors and Suppliers which the Contractor intends to procure following the Award date, and which the Contractor has not,

before the date of this Contract, already planned to award to a particular Subcontractor or Supplier, are advertised through the Sell2Wales portal (www.sell2wales.gov.wales) and awarded following a fair, open, transparent and competitive process proportionate to the nature and value of the contract.

Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

It's Tai Tarian's intention that the delivery of the Contract assists in the achievement of their commitment towards community benefits as outlined in Tai Tarian's Community Benefits Policy.

It is the approach of Tai Tarian to maximise local reinvestment through the creation of jobs and training and through supporting the local supply chain. This approach is defined by:

1. Think Neath Port Talbot
2. Think Swansea Bay City Region Deal Area (Neath Port Talbot, Swansea, Carmarthenshire, Pembrokeshire)
3. Think Wales

It is a contract condition that the Provider delivers community benefits as part of this Contract.

Tenderers must not outline the community benefit's they are currently delivering for existing Clients.

Tenderers must outline what they propose to offer for Tai Tarian if awarded the Contract by completing 26. Community Benefits Obligations.

For further information on how community benefits will be evaluated, please refer to 16. The Process – Tender Award Stage.

Delivery of community benefits through all spend is aligned with the Well-being of Future Generations Act Wales and delivers against its goals.

(WA Ref:146110)

The buyer considers that this contract is suitable for consortia.
