- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The contract for Laundry Related Services is being awarded due to time pressures and to provide continuity of service for the University. The contract will provide necessary timescales to provide a replacement tender and ensure fair competition in the marketplace.

In light of these circumstances, we find it necessary to award a contract with the incumbent for an additional 12 months. This extension will provide us with the opportunity to conduct a competitive tender process, scheduled to be published in the new year (estimated summer 2024). The aim is to foster fair competition and encourage broader market participation.
