VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

1) Removal of Lot 3 : Generic Continuous Professional Development (CPD) Activity for Isle of Wight Council staff (including leadership and management, HR, communication, equality and diversity and other similar programmes) with effect from 14 July 2025.

2) To increase the overall estimated contract value of the DPS by 49%.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

1) Removal of Lot 3: Generic Continuous Professional Development (CPD) Activity for Isle of Wight Council staff (including leadership and management, HR, communication, equality and diversity and other similar programmes). This is because Lot 3 has never been utilised and it is not envisaged that there it will be over the remaining period of the DPS. By removing this lot, suppliers will not unnecessarily complete applications for it. Therefore the Authority is removing this lot for any future applications during the remaining life of the DPS with effect from 14 July 2025

2) To increase the overall estimated contract value of the DPS. The requirement for apprenticeships (Lot 1) have increased year on year since the DPS was originally let in 2017.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £2,240,000

Total contract value after the modifications

Value excluding VAT: £3,075,100
