II.1.4) Short description

Capital funding was awarded for the 2021/22 and 2022/23 financial years for a Corporate Back-scanning Solution and Storage Requirements. The aim of this project was to only maintain physical files where there is a business, historical or legal requirement – this will result in the cost of physical storage being reduced, information being easily accessible electronically when required, retention can be applied automatically and physical files that are retained will be less likely to require regular access.
