#### **II.1.4) Short description**

The framework agreement will consist of a universal dispenser product that will be used to assist with the dispensing of hand towels. The product available under the framework agreement will include; Universal Dispenser. Precise quantities are unknown. It is anticipated that initial expenditure will be in the region of GBP £10,000,000 throughout the duration of this framework agreement (including all extension periods). However, this is approximate only and the values may vary depending on the requirements of those bodies purchasing under the framework agreement.

The forthcoming tender will have contract conditions that will require suppliers to

demonstrate that they are managing ethical compliance at their organisation and manufacturing facilities. NHS Supply Chain will brief potential bidders in more detail about the exact requirements in the pre-tender phase.

Details of the pre-tender webinar will be shared with all interested parties via the Jaggaer messaging system.
