Section VI. Complementary information

VI.3) Additional information

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this framework agreement is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The standstill period begins on the day after the publication of this notice. Representations by providers must be made to the relevant authority by 17th July 2025. This framework agreement has not yet been formally concluded; this notice serves as an intention to establish the framework agreement under the PSR.

Any written representations should be sent to corporate.services@eoecph.nhs.uk.

The decision was made by the Corporate, Clinical and Regulation team at East of England NHS Collaborative Procurement Hub (EOECPH) in March 2025.

There were no conflicts of interest identified.

The decision to award this framework agreement and is in line with the competitive process and the evaluation was based against the five required key criteria as follows:

- Quality and Innovation - Assured - EOECPH are assured that the providers will be delivering a safe and effective service as required by the specification and the framework agreement.
- Value - Assured - EOECPH are assured that the providers will be delivering value against the framework agreement to contracting authorities that wish to call-off against the framework.
- Integration, Collaboration and Service Sustainability - Assured - EOECPH are assured that the providers will positively impact against the service specification as laid out in the tender documents.
- Improving Access, Reducing Health Inequalities and Facilitating Choice - Assured - EOECPH are assured that the providers will meet needs of the population to ensure equitable access and choice as required by the specification and the framework agreement.
- Social Value - Assured - EOECPH are assured that the providers will deliver in line with the NHS Net Zero Roadmap throughout the life of the framework agreement and any resulting call-offs against the framework.
