Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Thames Barrier - Mirrlees Blackstone engines three-quarter life survey

II.1.2) Main CPV code

- 50532300 - Repair and maintenance services of generators

II.1.3) Type of contract

Services

II.1.4) Short description

Provision of inspections and services, including replacing spares, to enable the engines to be suitable for a further 10-15 years period.

The engineer/s working on the project must have in-depth knowledge of ESL 16 twin bank engines, with proven evidence of experience. The successful supplier will provide spares when required, within a reasonable lead time with proof of conformity that all spare parts to be used are new or reconditioned if new are not available, by issue of Certificate of Conformity stating all parts are in accordance with the standard and specification required for their intended use in the Mirrlees Blackstone E type engine.

The opportunity is being administered on Defra's e-tendering portal:
