The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The value of the requirement is under the current PCR 2015 threshold for central government bodies.

The supplier are the Original Equipment Manufacturer (OEM) and Home Office approved supplier for the current Evidential Breath Alcohol Instrument, and are currently working towards type approval for the next generation instrument. On expiry of the support contract for the current equipment (31/10/2025) there will be a need for continued calibration and maintenance service support for the existing equipment from the OEM, until the next generation instrument is available to the market.

The supplier has a legal obligation to retain Type Approved status of the existing intoximeters as directed by the Home Office under the Breath Alcohol Screening Devices publication Version 1.0 dated 30 Jun 04, and any subsequent revisions of this document.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
