II.1.4) Short description

The University will be tendering for a major works framework for undertaking strategic projects across the estate, situated in London and the South-East of England which will be a mixture of refurbishment, rebuild and new build. The University's estate occupies 3 working university campuses and associated satellite sites. The estate comprises of a mix of properties including Scheduled Monuments, Listed buildings, buildings of various ages and construction, and projects may include basement works, demolition, decommissioning, etc. The major works under this framework are expected to be in the value range of 50,000,000 GBP to 300,000,000 GBP. The University anticipates that between 3 and 5 suppliers will be awarded a place on the framework. The framework will be for a duration of four years. Individual call-offs awarded under the framework may be for a duration beyond the framework expiry date. The framework will include services such as, but not limited to PCSA, Enabling Works, Build Contract, Surveys, etc. The framework will cater for various forms of contract, e.g. JCT. The University may hold soft marketing events for interested parties prior to the issue of the tender. Full details of the requirement will be provided in the specification and tender documents. Interested parties are invited to read the University's "This is our time: University of Greenwich Strategy 2021- 2030" at <https://docs.gre.ac.uk/rep/communications-and-recruitment/this-is-our-time-university-of-greenwich-strategy-2030> All questions relating to this Notice should be sent via the Delta eSourcing portal at <https://www.delta-esourcing.com/>
