Section II: Object

II.1) Scope of the procurement

II.1.1) Title

The Supply, Installation, Maintenance and The Right to Display Advertising on Bus Shelters in Swindon Borough

Reference number

DN694424

II.1.2) Main CPV code

- 44212321 - Bus shelters

II.1.3) Type of contract

Supplies

II.1.4) Short description

The procurement of the Supply, Maintenance and Advertising of the Bus Shelter Contract has now had to be abandoned. This is due to the receipt of a large number of clarifications, where it is felt that the specification requires further work that collectively may amount to a material change to the requirements. In addition, following clarifications received, a new set of concession contract terms and conditions will be prepared and a further review and update of the specification will need to be completed. Therefore as a result, there now may be a need for further soft market testing concerning the age of bus shelters and any other key issues of concern raised in the clarifications.

Once this further review is completed, a new tender will be issued to market.

Communication regarding the abandonment was provided directly to bidders/prospective bidders on 21/12/23 via the Pro-Contract messaging facility for tender ref: DN694424.

Section VI. Complementary information

VI.6) Original notice reference

Notice number: [2023/S 000-030174](#)

Section VII. Changes

This will be a concession contract under which the successful supplier will generate income to fund these service requirements from selling advertising space on the bus shelters. The Council will require a share of advertising income from the supplier for this contract. The supplier will be expected to provide new bus shelters at new locations and replace bus shelters on a regular renewal programme. The majority of bus shelters within

Swindon Borough are owned by an existing supplier, who are anticipated to remove their bus shelters over a period of 6 months following the end of their contract.

The successful supplier will have to replace these bus shelters if they are removed by the existing supplier at the same time of their removal. Swindon Borough Council own a number of bus shelters which it will continue to own and these will be part of the contract. In addition, the Council will be purchasing new bus shelters for its new Bus Boulevard and these shelters will become part of this contract once installed, although they will remain owned by the Council. Bus shelters owned by parish councils or developers or other parties are not part of this contract.

The supplier will clean and maintain the bus shelters as part of a regular maintenance programme.

The initial contract term will be for 120 months with an option to extend for a further 60 months for a potential total contract term of 180 months as stated in the Invitation To Tender (ITT) documents. The estimated ten-year value of contract is £6m to the supplier. The extension period would be 5 years with a potential advertising income of £3m.

Full details relating to the Services are provided in the tender documents.

To participate, Suppliers will need to Register as a Supplier with ProContract, www.supplyingthesouthwest.org.uk, then Register an Interest before obtaining access to the tender documents. In the event of difficulties registering as a supplier, please refer to the System Administrator Proactis support team ProContractSuppliers@proactis.com

Tender clarifications to be submitted in writing via Messaging in ProContract tender portal by 6th November 2023, 1200 hrs UK Local time. The Council's responses to these clarification questions will be issued periodically on the ProContract tender portal.

Tender Responses are required to be submitted no later than Monday 13th November, 1400 hrs UK Local time via ProContract tender portal - <https://www.supplyingthesouthwest.org.uk/>

Please note that this project has been advertised on Find a Tender Service (FTS) and Contracts Finder, however, Supplying the South West Portal, <https://www.supplyingthesouthwest.org.uk/> is the only portal that includes all the relevant documents required to respond to this opportunity, bearing Project Id: DN694424

No Tender submissions will be considered without completing the tender documents in full including attachments and returning them in alignment with the instructions within the tender documents.
